

# How to pay with

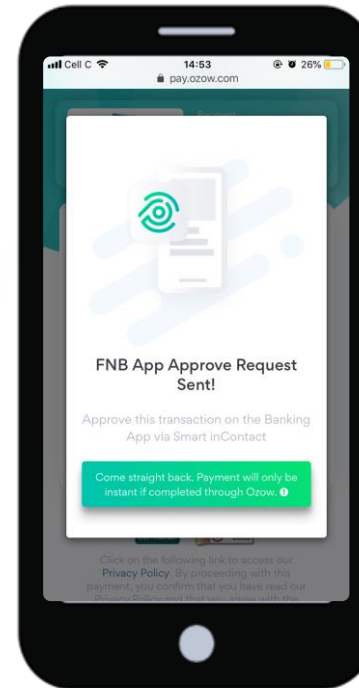

## Step 1: Login

Enter the login credentials you currently use for your FNB internet banking and click the blue “Login” button.

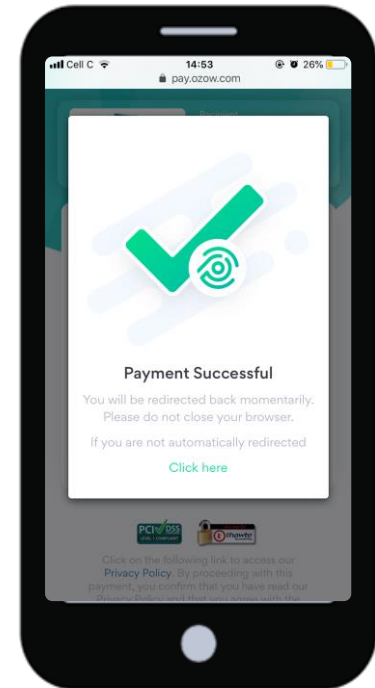

## Step 2: Select Account

Select the account that you would like to pay from and click the blue “Continue” button. NB: This step will be skipped automatically if there is only one account linked with this banking profile.

## Step 3: Confirm Payment

FNB will then ask you to confirm payment. This can be done by either authorising payment in the FNB app and returning to the Ozow payment screen, or by entering the OTP sent to you via SMS into the Ozow payment screen.

## Step 4: Payment Successful
